RE: Bid No. 825

To Whom It May Concern:

The Marblehead Lime Company is not a Minority Business Enterprise or Women Business Enterprise, therefore the only M.B.E. and W.B.E. Participation in this contract could be the transportation of lime from our plant to your water treatment plant.

The lime would be shipped from our River Rouge, Michigan Plant and the present transportation companies that we use are not M.B.E. or W.B.E. either. It is very critical that we have ready access to these carriers since your demand for lime requires us to deliver rather promptly.

So a carrier in the immediate vicinity of our plant is very, very critical. Also the loading and delivery of lime via hopper truck requires a great deal of experience and knowledge of the product by the driver.

Since these carriers have been hauling lime for us for many years they can offer a prompt, courteous, and efficient delivery. We know of no M.B.E. or W.B.E. trucking companies conveniently located to our plant that can offer the above capabilities.

We are continuing the search for a M.B.E. and W.B.E transportation company that can satisfy your delivery requirements at a competitive rate.

We would appreciate your assistance in securing a M.B.E or W.B.E. trucking company.

Sincerely,

MARBLEHEAD LIME COMPANY

Manager, Inside Sales
